Entrance fee:	around € 12,- per adult, free of charge with the Salzburger Land Card

Hallstatt

Hallstatt is located at the east shore of the Hallstätter lake and is surrounded by impressive mountain peaks.

The small village in the border area between Salzburg and Upper Austria is awarded as UNESCO world culture heritage since a couple of years and fascinates its visitors from all over the globe with a very unique flair. Many historical buildings, the salt mine and the famous skywalk high above the village ensure that the visit will stay for ever in your memory.

Arrival: approximately 70 km, 1:10 h driving time

Hofalmen in Filzmoos

A visit of the close Hofalmen should not be missed during your stay in the Salzburger Land.

The picturesque mountain scenery at the valley end of Filzmoos combined with the centuries-old alpine huts ensure an unforgettable experience.

The unique landscape with the beauty of the mountains, the alpine meadows with blooming flowers and the clear water of the mountain lake will fascinate you for sure.

Arrival: approximately 30 km, 35 min driving time
Opening hours: all year long
Gastronomy: rural restaurants with specialties of the region

Water dam Kaprun

Like fjords, the two high mountain reservoirs Wasserfallboden and Mooserboden lie embedded in the alpine landscape at 2,036 metres above sea level. They bear witness to one of the region's greatest marvels of engineering. The turbines are hidden in the mighty dam walls that keep the turquoise water in check: this is how electricity is generated all year round. You can visit this interplay of nature and technology in summer on a guided tour of the dam walls or use the high mountain reservoirs as a starting point for hikes. And if you are brave enough, you can even climb the dam wall using a via ferrata.

Arrival:	approximately 50 km, 1:00 h driving time
Opening hours:	from the end of May until the middle of October
Gastronomy:	2 restaurants
Entrance fee:	around € 30,- per adult

Krimmler waterfalls

The 380 m high water falls are the fifth largest of the world and the largest of Europe.

A nice walking trail runs along the 3 water falls and gives you a memorable experience.

On the top you will find the breathtaking hiking area Achental.

Arrival:	approximately 100 km, 1:35 h driving time
Opening times:	from the middle of April until the end of October
Gastronomy:	a couple of restaurants
Entrance fee:	around € 10,- per adult

Salzwelten Salzburg

Your journey into the mountain is a journey through time – to be more precise, through 2600 years of salt mining on the Dürrnberg.

Outfitted in white miners' overalls, you will set out in search of white gold

A raft ride across a mystical salt lake entralls you amid the iridescent world of Baroque Salzburg.

During your tour, you will cross the subterranean border between Austria and Germany, ride on a mine train, and slither down two miners' slides deeper and deeper into the mountain.

Arrival:	approximately 60 km, 1:00 h driving time
Opening hours:	opened all year long
Gastronomy:	restaurant on site
Entrance fee:	around € 35,- per adult, free of charge with the Salzburger Land Card
